USING THE WEB MAIL FACILITY

NB: Best practise, is to setup your email on your email client such as Outlook using the POP protocol. If this is not done, you may consume disk space which may exceed the quota allocated to you for your domain.

1. Go to <https://webmail.konsoleh.co.za/login>

2. Enter your full email address in Email field

Enter your email password in the Password field

3. Then, click on the Webmail Login button.

When you successfully login to the Webmail facility, the Inbox of your mailbox will be displayed to you. You can now check your email and send email from here.
